Science :

Hi! Happy Wednesday! 😊

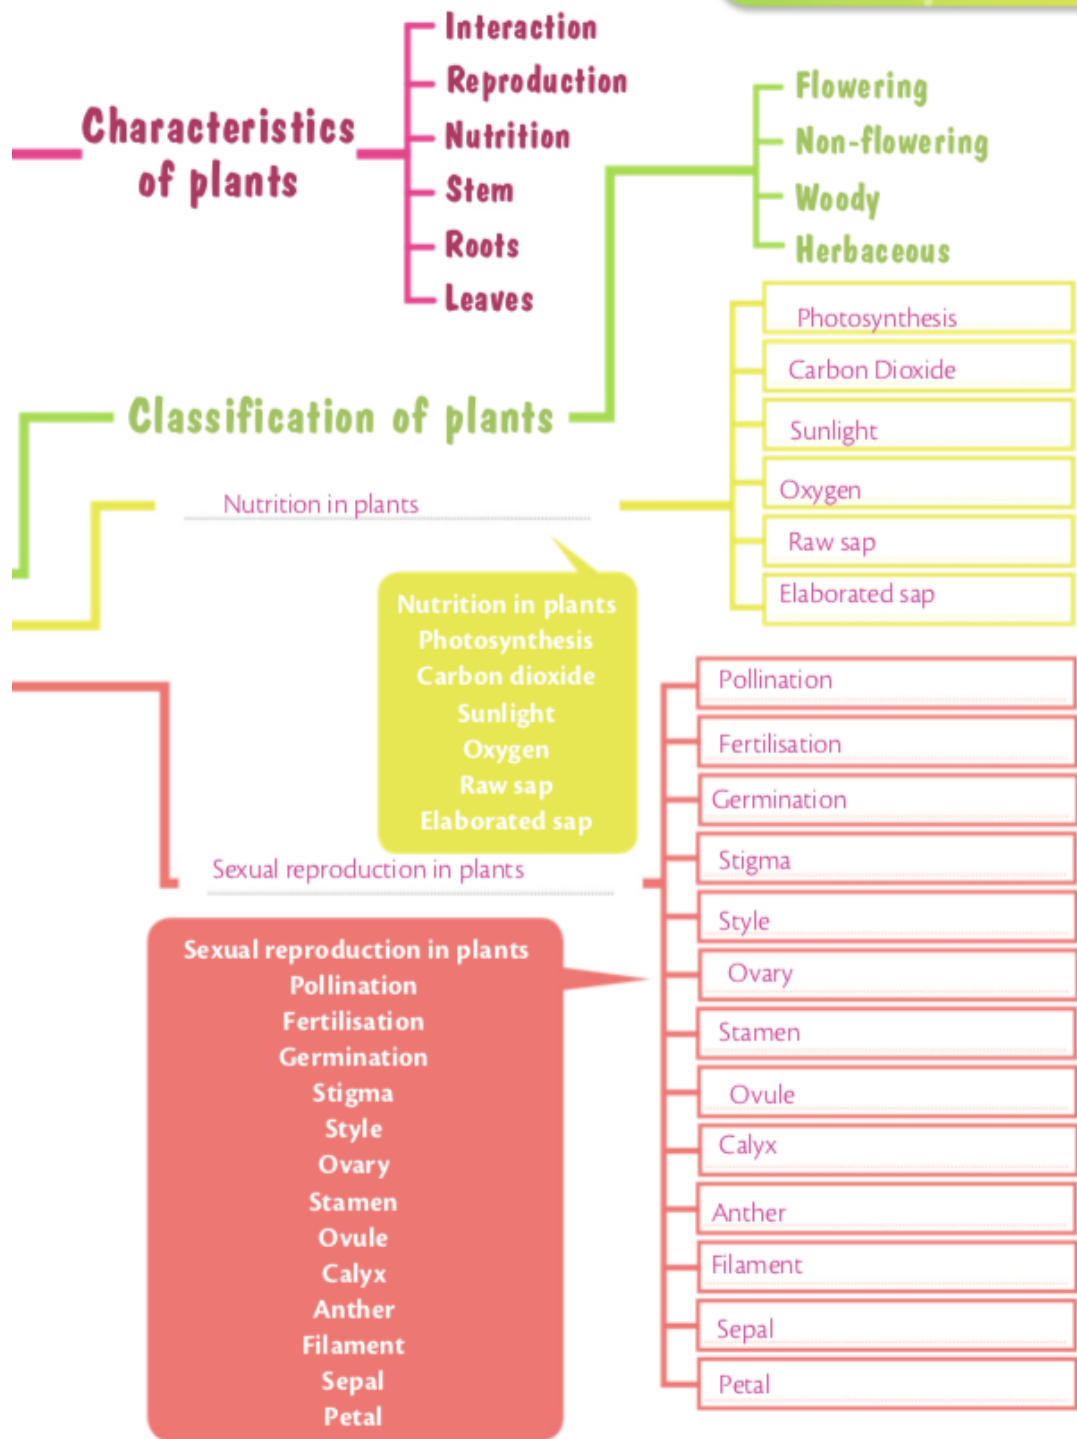

Tasks:

1. Check the activities in the AB (pages 52-53). Here you have the answers:

Mind map

1 Complete the mind map.

2. Complete **SUMMARY** in page 54 AB. 😊

*AB = Activity book

** CB = Class book

Arts:

Hello my friends!

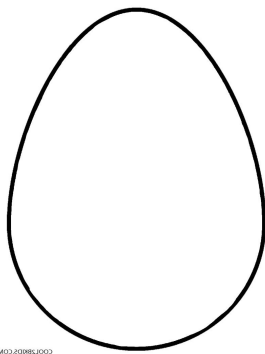

Today we will finish the **EASTER EGG**:

We need:

- ✓ A piece of White paper (A4 size)
- ✓ Pieces of color paper (you can use color pages of a magazine), cotton, Markers or color pencils... **whatever** you decide to decorate your EASTER EGG

Task: **design your Easter EGG**... you can use color papers, crayons, markers... whatever you have at home.

Here you have a template (*Plantilla*), but you don't have to print it. You can just draw a big egg in the White sheet of paper and then just do the drawings and decorate it.

Here I show you different **examples** of the drawings you can do on the egg:

Let's sing a nice Easter song:

***IMPORTANT:**

keep with you all your crafts, EVERYTHING YOU DO, put everything safe and sound because When we came back to school I will grade all your creations. So, you don't need to send me any pictures of your Works 😊.

Enjoy! 😊
